

CODY CARR'S HUNTING ADVENTURES, L.L.C.

www.HuntWithCody.com

Hello from Montana! First, I want to thank all of the clients, for without you we would not be able to do what we love. I also want to thank all of the guides for their hard work scouting and time spent away from their families to ensure a great season. We had a great 2015 Bear season, We were able to harvest five bears over seven foot in length during the spring season and many in the high six foot range. It was a early spring which allowed us to hunt some of the higher alpine glacier basins.

It was once again a great year for Archery season as we harvested many nice bulls. Although we harvested some great bulls we also had a lot of misses this season which left some amazing bulls in the woods for this next year. It's easy to miss a bull when he is screaming at you anticipating a hot cow right around the corner. When you go out with a bow and arrow and you have bulls right in your face, what a rush! Although rifle season weather did not cooperate well with us last season we were able to harvest some great bulls and bucks during the 2015 season. We had the privilege of guiding one bighorn sheep hunt and three Shiras moose hunts, which were all very successful. Please remember to apply for special moose, mountain goat, sheep and Lion permits. Once again we had a successful Lion season harvesting some monster toms. This is one of the highest success rate hunts we have to offer. The thrill of a lion hunt is second to none. All of the success I the 2015 season wasn't do to luck alone, a lot of scouting and hard work in the off season goes into these hunts by all the guides and staff to ensure quality hunts!
