

CODY CARR'S HUNTING ADVENTURES, L.L.C.

www.HuntWithCody.com

Hello from Cody Carr's Hunting Adventures! We want to start by saying thank you to each and every client, because without you none of this would be possible. I also want to thank all our guides for their hard work and dedication to ensure a great season. I was able to take our daughters hunting which resulted in some of their first animals. I also went on a dall sheep hunt in Alaska that I won in a raffle drawing. 2017 is going to go down in the books as one of my favorite years of hunting.

We had a great 2016 spring bear season killing a lot of big bears including several that were color phased bears our biggest measuring seven foot two inches! We had a great archery season this year! We harvested not one but two bulls with drop tines one of which had almost forty inches of drop tine alone! We killed 14 bulls and also had an unbelievable amount of opportunities during archery. Our 2016 rifle season was awesome for mule deer and whitetail bucks. The rain and foggy weather made the elk hunting tough but we stayed persistent and still harvested some great bulls! Once December got here some giant toms hit the ground. We got lots of snow this year which makes finding tracks easy. This was one of the most successful years for BIG TOMS! Thanks to our clients, our great staff, and God who created this beautiful place we call home, for a fantastic season!
