www.HuntWithCody.com

Hello from Cody Carr's Hunting Adventures!

We want to start by thanking all of the guides and clients of the 2018 season! None of this would have happened without you!

We had a fantastic 2018 bear season. We harvested 35 bears with 18 over 6'6". Our bear population is doing amazing and we could really use your help to thin a few out. Our burns from the previous year are starting to green up and will get better and better with time. Summer came and went way too fast. Between scouting and putting in camps it was gone in a flash. The Archery Rut was different this year, but we still managed to harvest a good amount of bulls. Rifle did not get the good weather but we harvested a lot of animals. This is why we scout so hard! Lion season has been amazing once again! Thanks for another great season! God Bless!
