Accommodations whether at our lodges, wall tent camps or gypsy style camps are set up to provide you with comfortable down time to rest and visit. Our Hunting camps are where we build friendships that build memories of a lifetime!

Whether by horseback, by backpack or once in a blue moon we get it out by 4x4! Our crew will strive to get your game out as fast as possible, while properly taking care of your mounts and the meat! We will debone or ¼ the meat and cape/prep your hides/pelts to prepare for the processor and the taxidermist! We hunt 1.5 million acres of forest service, leased and private ground to provide you an opportunity and an adventure of a lifetime!

Fred with a backstrap! An elk off of one of our private leases! Winter meat!

Eithan with his first mountain lion! Jocelyn with a bobcat and a mountain lion!

Game Camera Photos!

Cody Carr's Hunting Adventures is a full time business that strives to give you an awesome experience in the Northwest corner of Montana! Our crew is out year round checking cameras, monitoring game, working trails and setting up camp. Our area is steep and hard to hunt but our guides push to get you the best opportunities and the Montana Adventure! Start your adventure today!

Horseback- 4x4- hiking along the valley floor to the mountain tops, adventures in the back country we can build a hunt for your group! Accommodations from lodges, wall tents to gypsy style camps let us guide you through Montana!

Relax in comfort whether at the lodges or camps!

Plains lodge we also have private cabins for couples!

Lodge dining area!

We work year around, cutting trails, setting camps, scouting and guiding!

Hunting from the backcountry to the private leases, you will never forget the Northwest Montana views!

We offer predator hunts for wolf and bear in October, spring bear hunts in April, May and June, spot and stalk /hounds! In September, October and November - - Elk, deer and bear! December, January and February -- We chase lions, call and trap wolves and coyotes! Check out our trap adventure, this truly is one of a kind and highly successful adventure!

Let us pack you in on your next archery hunt!

Predator hunts in Montana with Cody Carr's Hunting Adventures!

2021 was a unique year with the world changing as we now live in! However for those that were able to escape to Montana we had an adventure awaiting their arrival that left them wanting more!

2020- Going back 2020 was a challenging year from COVID, social distancing, quarantine, fire & smoke, the hunting weather however with all of that Cody Carr's Hunting Adventures was still able to get it done! We had a good year with our clients, fellowship, friendship, safety, health, opportunities and trophies.

Our seasons are:

January-	Mountain Lion & Wolf
February-	Mountain Lion & Wolf
March-	Scouting & shed hunting
April-	Scouting, turkey & Spring Bear
May-	Turkey & Spring Bear
June-	Spring Bear
July-	Montana summer adventures & scouting
August-	Montana summer adventures & scouting
September-	Archery Elk, deer and bear / rifle- bear, wolf
October-	Archery elk, deer/ predator hunts / Rifle Elk, Deer
November-	Rifle elk, deer, bear & wolf
December-	Black Powder Elk and Deer, Mountain lion & wolf

Cody Carr's Hunting Adventures and Montana Summer Adventures are a year round outdoor operation! We put our boots to the ground, work with stock, set -up remote camps, maintain the equipment, vehicles and buildings to ensure our guests have a smooth, exciting and successful Adventure! Hunt with Cody Carr Hunting Adventures, where memories are made!

No matter the hunt or location Outfitter Gear List would be happy to help make sure your gear needs are met! Our team would love to talk if you have questions or need help making sure you are prepared for your next hunt!

OUR STORY - OGL

Here at Outfitter Gear List, we are first and foremost, hunters, fishermen and outdoorsmen. However, no matter the outdoor activity you choose, we stand behind you. We are absolute **GEAR JUNKIES** and we believe in providing our customers with the best quality gear in the industry.

Our Mission- is to help provide customers with gear that will help their experiences be one they will never forget. From staying dry with quality rain gear to having the right set of hiking boots to prevent blistered feet, we strive to research and test the best brands in the industry and provide those products directly to you. We want to help people connect and experience the wild places. It is time to get outdoors and let the adventures begin!
